

RIDGEBROOK RESIDENCE

C5

1,553 sq. ft.
2 Bedroom
2 Bath
Den

IMPORTANT DESIGN PHASE UPDATE

Broadmead at Ridgebrook is currently progressing through the schematic and design development stages. As a result:

- All floor plans shown are preliminary
- Dimensions, features, and configurations will continue to evolve
- Final designs may differ from the concepts depicted

This is a natural and expected part of the creation of a new, superior quality community — and it ensures that the final homes reflect the highest design standards and resident needs.
